

Silent Auction Committee Reminder and Announcement:

Sunday, August 25 is the closing date for receiving Silent Auction donations for this year's Fall Festival. This is just two weeks away. We have already received some wonderful items for the auction – both single items and baskets. The committee would like to thank all those who have contributed items to the auction so far.

However, we would like more donations to help make the Silent Auction a huge success. We encourage those who are considering donations to get them in as soon as possible to give us the necessary time to complete baskets if needed, to catalog the items and to get bid sheets made.

We would also like parishioners to know that this year the deadline for picking up any items won in the Silent Auction and not picked up on the day of the Festival will be Tuesday, September 24, by 4:00 PM at the Parish Center. Items not picked by that date will be offered to the next highest bidder.

Also, please remember to check the parish website for more Festival and Silent Auction updated information.

Again, the Silent Auction Committee would like to thank all those who have already contributed to this year's Silent Auction. Your generosity is very much appreciated.
