

Because of **your generosity** and that of many others, Community of Saints (COS) had **an exceedingly successful year**. We'd like to share some highlights:

With strong retention and a welcoming environment, our enrollment has **increased more than 18%** this year. This is a **50% increase in the past four years!**

We are **one of nine schools nationally** selected by the University of Notre Dame for a program to expand access and learning opportunities in Science, Technology, Engineering, and Math (STEM).

We raised more than \$250,000 for the Alums & Friends & Families tuition assistance fund. Since the start, **we've raised more than \$2 million to support student tuition.**

We purchased the St. Michael campus which provides a permanent home for COS, **long-term stability for our families**, and the flexibility to use the space to meet the needs of our students.

All students participated in **service learning projects to enhance Catholic values** taught in the classroom. Projects include support for children with cancer, Isaac's Blessing Bags, food shelves, and more.

We received the Healey Foundation's national SAGE award for **demonstrating an entrepreneurial spirit** in marketing, development, and governance.

**COMMUNITY  
OF SAINTS**  
REGIONAL CATHOLIC SCHOOL

**Thank you**  
for making our  
success possible!
