

With your **generous support**, we've had a **successful year** at Community of Saints **despite the challenges** of COVID-19.

**Enrollment is up for the fifth straight year** — over 55% in that time. Our **Kindergarten is the largest ever** — we now have two Kindergarten classes!

Our **tuition assistance fund set a record for the amount** of donations and number of donors, plus we successfully met a **\$20,000 Schulze Foundation challenge**.

Tuition assistance is needed now more than ever as our families face hardships with COVID-19. **Over 90% of our families received tuition help this year.**

Our **amazing staff** enthusiastically tackled changes to routines and instructional practices. **Over 90% of them returned** for this school year.

With **extensive safety measures in place** we opened the year with full in-person classes for preK-1st grade and hybrid for 2nd-8th grade. **Learn more at <http://communityofsaints.org/backtoschool/>.**

**Daily prayer, weekly mass, and service to our community** continue as staples to leading our students in the Catholic faith.
