

Upgrade the E-Box: St. Matthew's Capital Fundraiser

See the YouTube video here: st-matts.org/ebox

Upgrade the E-Box is our fundraiser that aims to raise \$150,000 to replace the aging electrical panel in the basement of our church. This panel provides electricity to all of our campus buildings. The circuit breakers are no longer dependable. Please watch the video and consider a donation.

The ministries of St. Matthew's Church help provide health services, housing, meals, educational facilities, worship services, faith formation, fellowship and performing arts events to the residents of Saint Paul's West Side community and the surrounding area.

Your donation is tax-deductible.

If you prefer, you may write a check to "Church of St. Matthew" (with "E-Box" in the memo) and send it to:

Church of St. Matthew
490 Hall Avenue, St. Paul, MN 55107

Questions? Call parish office: 651-224-9793

Scan the QR code to use the link below to go to our Donorbox page. This fundraising effort continues through December 2023. Thank you for your generosity!
