

## **STRAWBERRY CLEANING IS BACK!!!**

We have received word from the owner of the Strawberry & Cream booth at the fair, that they will be operating the booth again this year!!! We have been asked to again take responsibility for cleaning the strawberries. Many parishioners look forward to this event. Not only for the income to the church, but also for the socialization that takes place each day. We will begin cleaning berries on Wed Aug. 21st at 8am. The last day of cleaning will be the day before Labor Day, Sun. Sept 1st. If you are able to help, please call the parish center and leave your contact info. There are also sign-up sheets on the table in the back of the church!
